Troop Care Package Collection

As some of you may remember at the end of last year we collected items to build care packages to send to local service members deployed to Iraq, Afghanistan and the Horn of Africa.

We are doing it again and hope that this collection will be bigger and better than the last! Items will be collected from now until July 5th at which time they will need assistance to assemble the care packages.

Suggested items include: deodorant, travel size shampoos, conditioners and body wash, soap, loofa sponge, toothpaste, toothbrushes, white socks 1/4 and tube, feminine hygiene items, baby wipes, compressed air for cleaning, freeze pops, hard candy (no chocolate), packs of gum, fun toys like water balloons, playing cards, party favor items.
