## THE UZRC ARTIST GALLERY CONTINUES WITH DON SHENK

Don Shenk developed an interest in photography when he was a junior high student and turned into a passion that continues to the present. Don learned the craft through trial and error proving the axiom that, "A good photographer has a large waste paper container."

Don participates in numerous local and international photo competitions where he has earned "Photographer of the year" at both Lancaster and Hershey Camera Clubs. He has also been awarded gold, silver and bronze metals, honorable mention ribbons and "Best of Show" metals at both the local and international levels. Shenk's works will be on display thru the month of October.
