Attention UZRC residents who enjoy singing: **Choir Rehearsals** will be starting this month, in preparation for a concert to be held in June. Our first rehearsal date will be March 6th, in the Chapel, at 3:00 p.m. Rehearsal dates beyond that will be listed on each month's calendar. If you think you would be interested, feel free to come to a couple of the rehearsals, no commitment required. Please see Patti Bixler in the Activities Department with any questions.

Pi Day is celebrated on March 14th around the world. **Pi** is the symbol used in mathematics to represent a constant which is approximately 3.14159. We have several fun activities planned for this day including a surprise celebration and an accordion performance by Biz and Bobbi, who are relatives of our volunteer Kim. Also, it is "Dress Like Your Favorite Pie" Day so wear the colors of your favorite flavor. Get creative!

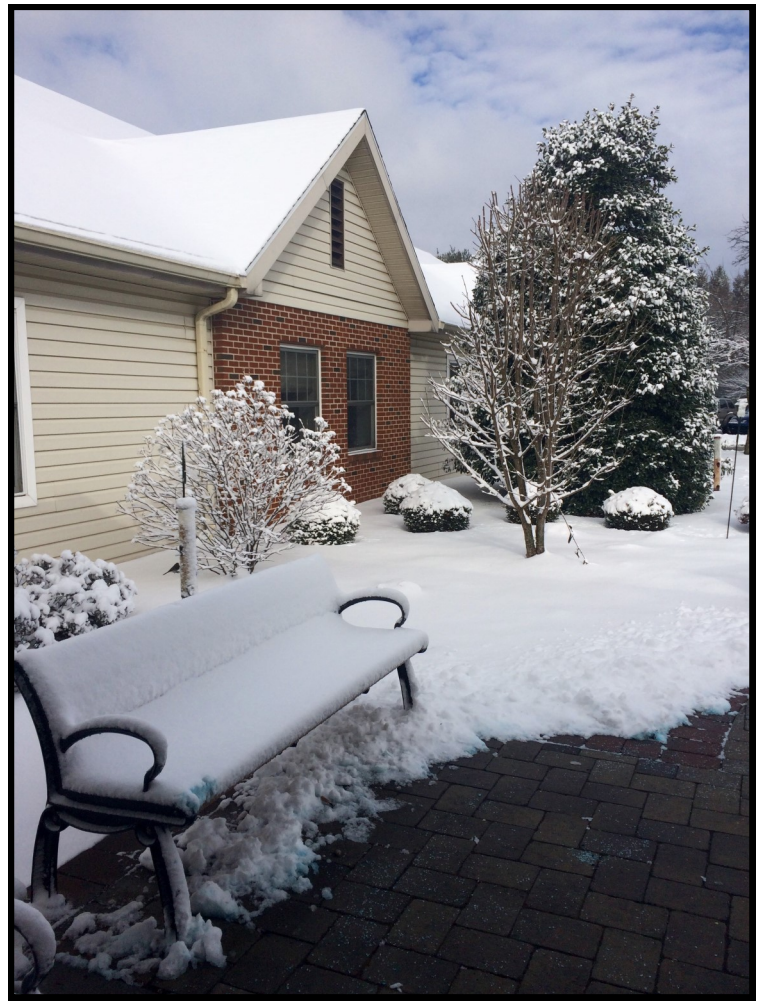

It's time to "spring forward!" Make sure to turn your clocks ahead on Sunday, March 13th, for **Daylight Savings!** The first day of Spring is Monday, March 20th. "In like a lion and out like a lamb!"

March Featured Artists:

The Lancaster Camera Club

The LCC was organized in the early 70's by a group of dedicated photographers.

Membership was encouraged among both amateurs and professionals. Enjoy a variety of photographs from local artists including farm scenes, floral imagery and much more! The display will be up throughout the month of March. For more information on the LCC, visit www.lancastercameraclub.org.

Pictured above is the morning of February 9th, after a snowfall of around 2 inches. With the fresh snow and other craft materials, staff and residents created miniature snowmen, pictured to the left.

Kansas Prairie Museum and Farm Life on the Plains: Join us Thursday, March 2nd, at 2pm in the Activity Room for another presentation brought to you by Rick and Ann Watson!
