United Zion
Retirement Community

Dear Friend of our Community,

For more than 120 years, United Zion Retirement Community has faithfully served older adults and their families, offering compassionate care, dignity, and hope in the heart of Lititz since 1904. Because of caring partners like you, we continue to be a light on the hill, providing exceptional support to residents through every stage of aging.

At United Zion, every resident receives high-quality care regardless of their financial circumstances. Many individuals who once spent their lives caring for family, serving their churches, supporting local businesses, and strengthening our communities now find themselves needing assistance as care needs increase. Through our Benevolent Care Fund, we are able to walk alongside them with compassion and grace.

Today, more than 40% of our residents receive some level of benevolent care support. Each year, United Zion provides nearly \$2 million in unreimbursed care costs to ensure residents continue to receive the physical, emotional, and spiritual support they deserve. Your generosity helps make this ministry possible.

We are excited to invite you to become a sponsor for our 2026 Car Cruise fundraiser benefiting the Benevolent Care Fund. This fun-filled community event brings together car enthusiasts, families, residents, and local supporters for a meaningful day of fellowship and giving. We are also thrilled to feature live entertainment by the Jess Zimmerman Band during this year's event.

Manheim, PA 17545

Your sponsorship is more than support for an event...it is an investment in the lives of older adults who call United Zion home. Whether through financial sponsorship, donations, or event participation, your partnership directly impacts residents by helping preserve independence, dignity, and quality care for those who need it most. Together, we can continue creating a vibrant and compassionate community where every individual may flourish.

Thank you for considering this opportunity to support the mission and ministry of United Zion Retirement Community. We are deeply grateful for the generosity and encouragement of community partners like you.

Thank you for being an integral part of this journey!
